

Dairy Products Institute of Texas welcomes you to *The Resort at Tapatio Springs* in Boerne, Texas, October 9-11, 2015

DPI Chairman of the Board Glen Harrington invites you to our annual Fall Board Outing. By popular demand, it takes place at The Resort at Tapatio Springs, (Tapatioresort.com) near historic Boerne in the Texas Hill Country.

With several million dollars in renovations, The Resort at Tapatio Springs, is better than ever and described as *“The Jewel of The Hill Country, where the Hills meet Heaven. With the most majestic scenery the Texas Hill Country has to offer, our golf course greens, water features and stone accents that surround the Resort provide a sense of seclusion and tranquility that will leave a lasting impression.”*
