

**Dairy Products Institute of Texas welcomes you to
the *Port Royal Ocean Resort &
Conference Center*, Port Aransas, Texas
October 20-22, 2017**

DPI Chairman of the Board Sonia Fabian invites you to our annual Fall Board Outing. This year's outing takes place at the Port Royal Resort & Conference Center (port-royal.com) in Port Aransas, Texas.

“Port Royal Ocean Resort, the premier Port Aransas Beach Resort, features 210 beachfront condos set on a 25 acre enclave wrapping around four lagoon pools, accented by palm trees, with stepped waterfalls – complete with two water-slides and an olympic size heated lap pool. Our condos are 1, 2, & 3 bedrooms with large patio balconies that face the Gulf or both the Pool and the Gulf. All condos are equipped with full kitchens, laundry facilities and free wireless internet. The condos are decorated with different characteristics; are all open floor plans with the kitchen flowing into main living space and dining area that then flows out to the spacious patio and the wonderful views of the beach in Port Aransas. Our resort is not a high rise but rather just three stories with an open vista to the Gulf.”

Check in is 4 PM Friday. Enjoy dinner on your own at a Port Aransas restaurant Friday night. The DPI Board Meeting is Saturday morning October 21, at 8:30 AM. DPI golf tournament lunch at 11 AM & tee times start at 12 Noon. Non Golfers will enjoy the many activities available at Port Royal Resort and Port Aransas. (FISHING! CRUISING PORT A! BEACHING!) Saturday evening we will have a Port Royal Luau at the Pool.
